Letter from the President

Generations FCU will celebrate its 80th Anniversary in July of 2020. This member owned, community grown financial cooperative started with just eight members in 1940. Since then, we expanded membership to include all employees of the City of San Antonio, the SA Fire Department, SA Police Department, then Bexar and surrounding counties. We now manage \$500 million dollars in assets for 50,000+ member-owners.

We've added products, services, branches and programs, but we remain committed to extending the credit union philosophy of People Helping People to our entire community.

In 2019, our #GFCUCares community engagement program supported 34 local nonprofits, donating \$142,000 in sponsorships and scholarships, including organizations associated with our City, Fire and Police departments. We contributed over 4,600 volunteer hours (valued at \$25.43 per hour*), for an additional investment of \$116,978. Add individual employee and member donations of school supplies, toys, food and cash, and Generations FCU has added well over \$250,000 to organizations that serve our community.

Some additional 2019 milestones include achieving recognition as a Top Workplaces in the San Antonio Express-News program. We were also recognized by partner MemberXP for top member satisfaction scores. Members of our management team have completed leadership development programs. Most recently, our VP of Commercial Services Mark Johnston was named to the SA Chamber Leadership Development Program Class 45, and VP of Risk Management Jessica Hernandez received recognition in the SA Business Journal 40 Under 40 program.

We are proud to be a Member Owned, Community Grown credit union, and look forward to celebrating our 80th Anniversary with you. Thank you for your membership.

Ken Raymie
President and CEO
