## 2021 Third Quarter

## Letter from the President

As we enter the second half of 2021, I know I speak for the entire GFCU team when I say we are incredibly grateful to now be welcoming our members back into our branch lobbies and hopeful as we continue to see ever-lower numbers of COVID-19 cases in our community.

In May we announced our Next Generation Branch Strategy, which includes the opening of new GFCU branch locations in the coming months, as well as the closure of our HEB in-store branches. Personal banking is key to our member relationships.

For this reason, we have chosen to invest in full-service branches that provide the proper dedicated space for one-on-one conversations about your accounts with our team members, giving you the best possible personal banking experience.

We also recently announced our Future Leader Scholarship recipients for the 2021-2022 school year. These recipients are: Jonathan Castro, University of Texas at Austin; Julia Montemayor, San Antonio College; Katrina Muñoz, Austin College; Mateja Nikolic, Schiller International University; Regan O'Neill, Texas A&M University; Maura Peña, Northwest Vista College; Emily Reinhard, Schreiner University; Kaitlyn Rosas, University of Texas at San Antonio; Daija Smith, Our Lady of the Lake University; Catarina Tamez, Santa Clara University (CA). Congratulations to these student leaders among our membership. A big thank you to our panel of scholarship judges as well, who represent the San Antonio Fire Department, San Antonio Police Department, Any Baby Can of San Antonio, Big Brothers Big Sisters of South Texas, the San Antonio Police Officers Association, as well as our GFCU Board of Directors and Executive Team.

Our staff has been excited to ramp up more in-person community events and fundraisers recently, celebrating International Firefighter Day and National Police Week in early May, hosting a blood drive at our Northwest Branch on May 26, and sponsoring a June Birthday Celebration for the children of Boysville, Inc. in June. Visit the #GFCUCares page on our website to see more of GFCU in the community.

Thank you for your trust in Generations and your membership.

Ken Raymie  
President and CEO
